

Parenting Classes

This six week parenting class utilizes the *Parenting the Love and Logic Way*® Curriculum where parents will discover that their jobs can be really enjoyable, and that they can teach personal responsibility and respect without losing their kids' love. Class facilitators will guide participants through the *Parenting the Love and Logic Way*® videos and workbook.

Through this program parents will learn how to:

- Avoid un-winnable power-struggles and arguments
 - Stay calm when their kids do incredibly upsetting things
 - Set enforceable limits
 - Avoid enabling and begin empowering
 - Help their kids learn from mistakes rather than repeating them
